Pursuant to this Court's July 28, 2009 order, the last day for the parties to exchange proposed claim terms and claim elements for construction (Patent L.R. 4-1(a)) is September 4, 2009. The parties are scheduled to conduct a mediation in this case on September 14, 2009. In order to enable the parties to resolve this matter informally through mediation, the parties have agreed to extend the date to exchange proposed claim terms and claim elements for construction to September 18, 2009. This enlargement of time will not alter the date of any other event or any other deadline already fixed by Court order.
